

Megan Skarnulis' SUV, packed to the gunnels with groceries made available by faculty, staff and community donations.

Wellness Totes packed with a Bell Let's Talk toque and lanyard, mental health resources, healthy food items and information about services on campus.

The Wallace Chamberlain Toolbox Scholarship, established by Kim Sheridan in memory of her father, provided tools to four Trades students over a span of three years to ensure that they stepped into their careers ready to work.

Thank you

for supporting YukonU students

Thank you for choosing YukonU's Staff Giving Program!

You can direct your contribution to help YukonU students in need through grocery cards or the Hand Up Fund. Or, you can invest in the future and contribute to the YukonU Endowment Fund that will enrich student experience in the years to come. Or, you can support all three!

Your contribution qualifies as a charitable donation, and will appear in Box 46 of your YukonU T4.

The amount you specify will be deducted **each pay period** until you notify HR or the Development Office in writing. \$5 is the minimum contribution per pay period.

I would like to contribute \$ _____ each pay period.

I would like my contribution to be directed toward:

- grocery cards
- Hand Up Fund (to address immediate student need like winter clothing or program-specific equipment)
- YukonU Fund (long-term endowment that will support future initiatives and/or student awards)

If would like my donation allocated this way:

_____ % Option 1 _____

_____ % Option 2 _____

_____ % Option 3 _____

I prefer to donate anonymously.
